## God's True Church...

**Scott & Brandi Miller**

According to a recent handbook of American churches, there are more than 250 major religious groups in the United States. Each one professes to represent God. Each one claims to be teaching truth. At the same time, each group is different from the others. So how does a person find God's one true church in this maze of religious tradition?

Scott and Brandi Miller had been asking God that same question for years. They had attended a number of churches, looking, always looking, for God's one true church but to no avail. At the church they were currently attending, the people were great, and they enjoyed themselves immensely, but this was not God's one true church either. Yet God had heard their prayer, and a miracle was about to happen!

Scott is a rural mail carrier and spends a lot of time in his vehicle. One day while scanning the dial, he discovered Strong Tower Radio 97.9FM out of Newberry. Scott had never heard anything like this before, as speakers systematically unwrapped the truth about the ten commandments, the Sabbath, the state of the dead, hellfire, the second coming and more.

## God's True Church... Cont'd

Was this God's true church? He soon shared with his wife Brandi what he had discovered on the radio, and she too began listening and rejoicing in all of these beautiful new truths. God was answering their prayer!

As Scott and Brandi drank deeply from the rivers of living water each day while listening to Strong Tower Radio, God began to impress upon them to share what they were learning with their brothers and sisters at church. Sadly, their fellow church members were not as excited as Scott and Brandi about these new truths and they rejected them. Yet, Scott and Brandi did not give up easily, and week after week they continued to share.

In the middle of all of this discussion at church, Scott and Brandi attended the Upper Peninsula State Fair in Escanaba. While there, they met Alisa Fox at a booth sponsored by the Upper Peninsula SDA Churches. Scott and Brandi shared with her how much they enjoyed listening to Strong Tower Radio

and were looking for a SDA Church near their home in which to attend. As they continued conversing, Alisa soon found that they lived only a short distance from the McMillian Northwoods SDA Church where she herself attended! Alisa quickly invited them to come and be her special guests that upcoming Sabbath. They quickly accepted her invitation.

For a short time, Scott and Brandi attended their current church and the Northwoods SDA Church simultaneously. They continued to share the truths they continued to learn while listening to Strong Tower Radio and as they attended the Northwoods SDA Church, but to no avail. It was becoming increasingly difficult to even bring up many of the subjects of contention, so after much prayer and contemplation, they decided it was time to kick the dust off their feet and move on. They had finally found God's true church. They were home!

## Too Much Spiritual Baggage?

**Selma's Big Moment!**

So, Selma called the station requesting more information. George Corliss happened to answer the call, and he and Selma had a wonderful conversation about health that quickly turned into a spiritual discussion. Selma had attended the SDA Church when she was younger but felt that she had too much spiritual baggage for God to deal with and hadn't been to church in decades.

Selma is retired, and now drives a former co-worker Mary, to needed appointments around town. During one trip this February, Mary told Selma about a health program she had heard on a new radio station called Strong Tower Radio. Selma quickly tuned-in but was only able to catch the final two minutes of a program called, "Charcoal Remedies." It was so interesting, she had to hear the entire program.

**Bible Worker Sandy & Selma**

George quickly shared with her about a crucified, risen and soon coming Saviour, one who loved her with an everlasting love and has never left her or forsaken her, even for a moment. He then asked if a Grand Rapids friend could follow-up with her. Selma was super excited about having someone drop by and after having prayer, George called Pastor Bob Stewart, from the Grand Rapids Central SDA Church to follow up.

Bob sent Sandy, his wife and the Grand Rapids Area Bible Worker, to follow up. The very next day, Sandy visited Selma and offered to stop by once a week and study the Bible, which Selma eagerly accepted. Selma began attending church immediately and after a few months of study, was baptized on June 10<sup>th</sup> at the Grand Rapids Central SDA Church! Praise God for his greatness, mercy and patience with each one of us!

## Right in Our Backyard...

**Pastor Garhett & Dakota Morgan**

It's 4:15 a.m. on Monday morning, the sun is still sleeping in Bristol, Michigan, but the day has already begun for Jack, a church deacon, as he heads out the door. Lunch in hand, he hops into his truck and makes the short trip to the local lumber mill. After arriving and setting up his workstation for the day, he grabs his dusty radio and ensures that it's tuned to 91.9, Strong Tower Radio.

It's 7:45 a.m. in Big Rapids, and Annie, who has just started Bible studies, finally has her two first graders and one kindergartner loaded into the van and on their way to school. Shea yells from the back seat, "Mom, Your Story Hour is on right now, we want to listen!"

It's 11:00 a.m. in Reed City and newly baptized 81-year old Norman, sits in his oversized easy chair, centered in the living room. The TV in front of him is off, oddly, but suddenly he snatches up the device next to him and turns the volume on high. "Honey!" He calls out to his wife in the kitchen, "The Pastor is speaking on the radio! It's the sermon he preached two weeks ago! Come and listen! We'll have to call him and tell him we heard him today!"

It's 8:10 p.m. and a Pastor and his wife are just headed home from their last meeting of the day when an advertisement comes on for an upcoming Revelation series that is to be held in one of their local churches. Strong Tower Radio, 91.9FM proves to be an integral part of the lives of a wide variety of individuals in varying circumstances and differing times of the day all across the state of Michigan. What a wonderful evangelistic tool to have right in our backyard as we begin our ministry!

# A Spiritual Safe Haven...

***Pastor Cory, Hayden & Christal Herthel***

Given the times in which we live where the lack of wholesome programs, entertainment, and music being offered across the airwaves is overwhelming, we praise the Lord for His providence in raising up Strong Tower Radio. The Godly music, deep spiritual programs, and uplifting stories and testimonies not only provide us with quality material, but it truly draws us closer to Jesus. Each day as we listen to the variety of programming offered there, we are compelled to search deeper into God's will for us.

Strong Tower Radio provides our family and many, many others, a spiritual safe-haven where we can rest assured that as we listen we will be encouraged, edified, and elated. This station truly is a source of spiritual nourishment for us. And that is why we have chosen to be covenant partners through our prayerful and financial support. We endeavor to see this ministry thrive and continue to grow rapidly, so that many others may be touched by its Christ-centered mission.

We encourage every listener to consider joining with our family and become a "Covenant Partner" with this ministry. No amount is too small and every little bit can help the work of Christ to be spread and the Kingdom of God to be expanded! Call 231-468-2087 or visit their secure website at [www.strongtowerradio.org](http://www.strongtowerradio.org).
