Your First Day in Heaven...

Well it's a great, great morning, your first day in Heaven, when you stroll down the golden avenue. There are mansions on the left and mansions on the right, and you're thrilled at every sight, and the saints are always smiling saying "How do you do?" Oh, it's a great, great morning, you're first day in Heaven, when you realize your worrying days are through. You'll be glad you were not idle. Took time to read your Bible. It's a great, great morning for you!

As I was singing along to this beautiful hymn by the Gaithers, it dawned on me that many will be celebrating their first day in Heaven because you invested in Strong Tower Radio. When you give a donation to Strong Tower Radio you are investing in the power of God's word to reach the five million plus people in our broadcast footprint with the judgment hour message of a crucified, risen and soon coming Saviour. Thank you for your continued prayers and financial support!

Steve's Mama...

Faith & Steve Fowler

Dear Strong Tower Radio;

We cannot express how much Strong Tower Radio has meant to us, and to Steve's Mama. Ever since you powered up 90.7FM WBHL in Gladwin, and we found a radio that would receive the signal, Steve's Mama has listened to it non-stop, day and night in the nursing home. Strong Tower Radio was her comfort and peace, and we will be grateful throughout eternity for the peace your station brought to her in the last two years of her life. I am convinced that if not for Strong Tower Radio, she might have died a bitter woman, suffering as she was. But, you spoke truth when she needed it the most. The times we could not be there for her, you were always there.

God bless Strong Tower Radio. It is a lifeline, not to save for now, but for eternity, those who need to hear the truth! Thank you, to all who work so hard to reach the lost through this beautiful ministry. Steve's Mama was listening to Strong Tower Radio when she died, and it was a comfort to me to hear the beautiful songs playing that morning at 11:20 am. This was just what I needed as I watched her fall asleep in Jesus!

Blessings!

Rest Area Rendezvous Cont'd...

I handed her the GLOW tract on the Sabbath, and she shared with me that though she currently has to work seven days a week, she has had conversations with her friends about the Sabbath being Saturday and not Sunday. Before leaving, I gave her my business card, wrote down her contact information, and prayed with her.

As I said goodbye and got back into my car, it struck me that three things came together to make a difference in this woman's life. First, someone has been leaving GLOW tracts and Strong Tower Radio cards in the rest area on a regular basis. Second, the woman has been listening to the messages, music, and stories on Strong Tower Radio and is thoroughly enjoying them. Third, the Holy Spirit impressed me to stop at that rest area, made me aware that this woman might be listening to Strong Tower Radio, and put it on my heart to go and talk with her.

Why did these three things come together at that rest area, on that day, at that moment? The woman has been thinking about switching churches, and is about to make a choice as to which church she will attend. God's timing is perfect, isn't it? When we do our small part in distributing literature, supporting Strong Tower Radio, and being willing to talk to complete strangers, God works to bring people one step closer to His remnant church, one step closer to heaven!

Sincerely,

Jonathan Chitwood

Rest Area Rendezvous...

Rest Area Near Naubinway, Michigan

Dear Strong Tower Radio;

While traveling through the U.P., I saw a sign for a rest area (near Naubinway). I was pretty sure I could wait until the next one, but I found myself turning in and parking across from the restrooms. I had been listening to Strong Tower Radio, and as I walked towards the restrooms, I was surprised to hear what sounded like the same program coming from a pickup truck. Returning from the restrooms, I tried to identify the muted sound of the radio. Without knowing what was being played on Strong Tower Radio, however, I wouldn't be able to tell. I went back to my car, turned the radio on low volume, and left the door open so I could hear the pickup's radio. It was a match, and the speaker was at that moment talking about the characteristics of God's remnant church. After a few moments, however, I didn't hear the sound of the radio in the pickup truck anymore.

I quickly pulled out a "Why I Go to Church on Saturday" GLOW tract, walked over to the driver's side of the pickup, and waved at the woman sitting inside. She opened the door, I introduced myself, and I asked her how she had come to listen to Strong Tower Radio. She explained that as a custodian of the rest area building, she regularly finds Strong Tower Radio cards and GLOW tracts laying around. Instead of throwing them away, she collects them and hands them out to people she meets! She would like to play Strong Tower Radio through the rest area sound system, but since she isn't allowed to, she listens to it in her pickup truck instead.

Balanced Living & More...

Vicki Griffin – MPA, MACN

Carla from Grand Rapids called for a recording of the brand new Strong Tower Radio 'Balanced Living' radio program produced by Vicki Griffin. She said that Vicki's 6-minute 'Balanced Living' grief segment was more helpful and accurate than the help her two counselors and her church has given her over the last four years. Carla joins a number who are responding to program content meeting their heartfelt needs.

Bryan, a listener from Gaylord, contacted us through our website. In a detailed follow-up conversation, this seeker told me that listening has convinced him that he "will most probably become a Seventh-day Adventist". This conviction has come without any SDA contact up to this point. Wow, what an impact Strong Tower Radio has!

Maureen from Mason (south of Lansing) called requesting the free 'Ministry of Healing' book offer for herself and her psychologist son for his counseling practice. She shared that her son, a former Sunday minister and a Christian counselor in Grand Rapids, may use it in his counseling practice.

Another 'Balanced Living' segment prompted Armand from Grayling to call. He struggles with giving up smoking and wanted the list of ideas that can help him overcome. We had a heartfelt conversation about his spiritual walk. He may show up at the church soon!

Doug, from Decatur, Illinois called because he wanted more information about the Reformation. He had heard a reference to a citation in the 'Great Controversy' reading one Sabbath morning. Doug was not a Christian until age 46. He went to church for six years and became confused and discouraged, but Strong Tower Radio has changed his mind! He shared with me how Strong Tower Radio makes him "put my nose in the Bible!"

No Greater Sacrifice...

In my opinion, the words penned below are the greatest ever written about the love and sacrifice of Jesus. May God bless you as you meditate upon these thoughts and grow closer to him.

George Corliss

“Upon Christ as our substitute and surety was laid the iniquity of us all. He was counted a transgressor, that He might redeem us from the condemnation of the law. The guilt of every descendant of Adam was pressing upon His heart. The wrath of God against sin, the terrible manifestation of His displeasure because of iniquity, filled the soul of His Son with consternation (anxiety). All His life Christ had been publishing to a fallen world the good news of the Father's mercy and pardoning love. Salvation for the chief of sinners was His theme. But now with the terrible weight of guilt He bears, He cannot see the Father's reconciling face. The withdrawal of the divine countenance from the Saviour in this hour of supreme anguish pierced His heart with a sorrow that can never be fully understood by man. So great was this agony that His physical pain was hardly felt.”

“Satan with his fierce temptations wrung the heart of Jesus. The Saviour could not see through the portals of the tomb. Hope did not present to Him His coming forth from the grave a conqueror, or tell Him of the Father's acceptance of the sacrifice. He feared that sin was so offensive to God that Their separation was to be eternal. Christ felt the anguish which the sinner will feel when mercy shall no longer plead for the guilty race. It was the sense of sin, bringing the Father's wrath upon Him as man's substitute that made the cup He drank so bitter, and broke the heart of the Son of God.”
