## Lip Service?

Pr. Darryl Bentley

Growing up in the rural south came with many life lessons, but one that stands out brighter than others is the need to have good manners. We were not simply allowed to respond to questions with a “yes” or “no.” Instead, we were trained to always say “yes ma’am” or “no ma’am.” One wouldn’t think that such a simple addition to a response would carry much weight, but over the years many have complimented me for using good manners and, of course, I have strived to instill the same into my own children.

Another expression of manners is the display of thankfulness to others. It is no small thing for people to go out of their way to assist or bless us. We should not flippantly allow those moments to pass without taking the time to send a “thank you” card or—at the very least—a text message or email. That goes a long way in expressing our gratitude to others.

I wonder if we sometimes take God’s blessings for granted without giving Him proper thanks. We should note that the Bible is quite clear about expressing thanks to God. 1 Chronicles 16:8-10 NKJV reads “Oh, give thanks to the Lord! Call upon His name; Make known His deeds among the peoples! Sing to Him, sing psalms to Him; Talk of all His wondrous works! Glory in His holy name; Let the hearts of those rejoice who seek the Lord!”

The praise and thanksgiving I see described here is not something hidden away and private. Rather, it is praise and thanksgiving that is lived out in the open. It gives me pause to wonder about my own life. Do I “talk of all His wondrous works?” Do I “make known His deeds among peoples?” or do I pass through life’s greatest blessings with hardly a thought of their origin? It is my prayer for myself and all of us that we will not simply pay lip service to thankfulness, but our lives will be an expression of thanksgiving to a world in desperate need of the Savior.

If Strong Tower Radio (STR) has been a blessing to you this year, maybe you’d like to say “thank you” with a special financial gift to keep this ministry on the air. We want to express our thanks to each of you for your faithfulness AND we praise God for you all!

## From the President...

We have so many things to be thankful for here in the United States of America. Because of our Protestant heritage, each citizen is blessed with liberty and the pursuit of happiness. Many times, we take these privileges for granted. We assemble each Sabbath without the fear of law enforcement. We're able to freely read the Bible in our homes and teach its principles to our children. If it were not for the courageous and wise men and women who established these freedoms during the developing years of our nation, modern society as we know it would not exist.

Men and women all over are blessed with great intellects, but the foundational rules of a free society allows progress to happen. Because of the freedoms we have here in the U.S., technology blossomed. Immigrants from all over the world came to live here because they knew they could fulfill their dreams here. God has truly blessed the United States of America. He will continue to do so as long as we maintain the tenants of our Constitution and grant those inalienable rights He has designed for the blessing of each of His children.

Here at Strong Tower Radio, we rejoice in the fact that we can proclaim the Everlasting Gospel daily. We continue to preach all of the facets of the Three Angels' Messages. These messages explain that God is our Creator, that He wants us to take care of His creation, He wants us to live holy and upright lives as Jesus did, and that He wants us to worship Him on His day—the Sabbath. Also, we are to stay away from anything that would diminish our relationship with Him.

Please continue to pray and support us financially. As the Lord leads, and with His blessing, STR will continue to grow and reach more people with the Gospel of Jesus – God is Love!  
Happy Thanksgiving,

# A Heartfelt Message

I want to thank you for your love, prayers AND financial support of Strong Tower Radio; STR appreciates you! Currently we have a potential listening audience of over 5,000,000 people with an annual budget of **only** \$527,000. That's about 10 ½ cents per person to hear the Three Angels' Messages 24 hrs. a day, 7 days a week, 365 days a year!! Where else can you spend so few cents on the dollar to introduce people to Jesus and Bible truth for these last days of Earth's history? Folks, Jesus IS coming soon and time is running out to proclaim God's character to a lost and dying world!

We have 12 radio stations and one TV station. As God leads, we will be covering the whole state of Michigan AND beyond. We already have listeners in Wisconsin, Ontario and Illinois too. We hear stories regularly how someone is listening to us where, as far as we know, the signal shouldn't be reaching that location!!

Sandy Cole, our Administrative Assistant, started keeping track, a few years ago, of how much literature and program CD's we mail out, **free of charge**. Approximately over 1000 items have been sent out. Listeners tell us they love the sermons and music we play, the stories we air, plus learning of health benefits. Many have never heard the Three Angels' Messages or the Bible truths that are being aired. Praise God we are sharing these programs to help people, but folks, it all costs money!

We are a listener supported ministry, and without your financial investment we would be off the airwaves. I don't believe that is what God wants, DO YOU? Please pray and ask the Holy Spirit what you can do to help Strong Tower Radio stay on the air and continue to preach the Everlasting Gospel. You may call the station, 231-468-2087 to make donations or go to our secure

website, [StrongTowerRadio.org](http://StrongTowerRadio.org) and hit the donate button or you can use the enclosed envelope. We appreciate each and every one of you. May you all have a blessed Thanksgiving!

Jesus IS coming soon!!
